Recital Deadlines Quickly Approaching

Costume Fees Due January 24

Recital costumes must be ordered many months in advance to ensure that we have them in time for the Strawberry Festival and Recital performances. Costumes must be paid in full at time of ordering. The fee covers the cost of measuring, ordering, fitting, shipping and handling and **includes two tickets** to the Recital-“The Enchanted Forest!” Dancers will keep their costumes after the June 14 performance. Costume fees are **\$65 for each class** in which a student dances unless otherwise noted. **The fees are due no later than January 24**, and families may begin paying on their account at any time. It may be helpful to pay ½ the amount in December and the balance in January.

December Dates and Tuition

Tuition for December is **only half (½) of your regular fee**. If you would like to pay some of your costume fee with December tuition just send a note along with your payment.

The Galt Dance Center will be closed from December 14-January 6. **The studio will open for winter classes on Monday, January 7, 2008**. You can view the calendar online at anytime at www.galtdancecenter.com.

Enjoy a Holiday Tradition

Enjoy a wonderful holiday performance and support your fellow dancers! See the Sacramento Ballet’s “The Nutcracker” at the Community Theater in Sacramento. For more information go to sacballet.org.

Dance Class Notes

A few quick reminders for dancers and parents. **Please call** at your earliest opportunity to let me know if your student will be absent. We can then make arrangements for possible make up classes.

Please remind all students to **wear warm clothes when leaving class**, even if they are feeling warm.

Do not wear dance shoes outside at any time or for any reason. They can damage our very expensive dance floor.

Any student in **Ballet I or higher MUST** have her hair pulled away from her face and off her neck. Stash extra hair bands or pins in the dance bag with her shoes so they are available.

Perfect Christmas Gift

This is the perfect time of year to make sure your child has properly fitting dance shoes. **Each dancer needs his/her own shoes**, so please check to see that he/she hasn’t outgrown old shoes. The studio shoes are only loaners for forgetful students or for the first week of class. They are not a substitute for ownership.
